

PHOTOBOMB

2021 CHARDONNAY

TASTING NOTES

The Photobomb Chardonnay has aromas of citrus blossom, white nectarine, wet granite, and hint of lemongrass. Flavors include citrus, floral notes, and touches of baking spices. The mouth feel is refreshing with acidity and has a touch of sweetness in the middle. Pair this Chardonnay with baked halibut or cod, or other white fish. Or simply enjoy by the glass with friends!
