### Fermentation:

100% hand-harvested and hand-sorted fruit. Fermented with a variety of *Saccharomyces cerevisiae*. Punched down twice daily with three pump-overs. Pressed at dryness.

### Élevage:

21 months in 33% new 300 L French oak barrels (Mercurery and Remond).

### Additions:

Yeast, organic and inorganic yeast nutrients, tartaric acid, minimally necessary SO<sub>2</sub>.

### Notes:

Dark red hue. Vibrant aromas of red plums, currants, and cranberries; very pretty and tight. On the mouth, the wine is lively and fresh with flavors that mirror the aromas. The mouthfeel is seamless, fresh, clean and tight. Tannins are linear, long, and perfect. Wonderful balance and delicious.
